The story is told of a preacher who preached a very graphic and descriptive sermon on sin. After the sermon one “well meaning” and prominent church member approached the preacher with the following advice, “we don’t want you to talk so plainly about sin, because if our children hear you talking so much about sin they will more easily become sinners. Call it a “mistake” if you will, but don’t speak so plainly about sin.”

Shortly thereafter the “well meaning” member was visiting the preacher’s home. The preacher presented a bottle of strychnine marked “Poison” to his visitor. Reminding the “well meaning” member of the earlier advice given to the preacher, the preacher then said to his visitor, “I see now what you meant in your recent advice. You want to change the label. But suppose I take off this label marked “Poison” and put some mild label in its place, such as “Oil of anise”, can’t you see what happens? The milder you make the label; the more dangerous you make the poison.”

Our lord did not place a “mild label” on sin. He made clear that sin is man’s greatest concern. It is the responsibility of the church (Gospel preachers in particular) to make sin as real and abhorrent to people as possible if there is to be any hope of convicting anyone of sin and thereby truly converting him to Christ.

First, we must realize that God is the only one who can evaluate sin properly. Let us, therefore, strive to see sin as God sees it.

Second, God defines sin to be “...THE TRANSGRESSION OF THE LAW,” as well as omitting what is authorized (**1 John 3:4**). Sin separates men from God (**Isaiah 59:2; Colossians 2:13**). Hence, to die in sin is to be lost eternally in a devil’s Hell (**Galatians 5:19-24; Revelation 21:8; Matthew 25:41-46**).

Third, one should notice how God moves people to come out of a life of sin, Jesus had more to say about Hell than anyone else we read of in the Bible; and the reason why is that He does not want anyone to go to that terrible place (**Matthew 25; 2 Thessalonians 1:7-9; 2 Peter 3:9-13; Revelation 22:17**). Is it not obvious that one of the ways to understand just how God views sin is to understand the place that God has prepared for those who die in sin? Do we try to get people to see the eternal consequences of their sinful lives (**Romans 2:3**)? God’s great love for sinful man is the other factor that helps us see sin as God sees it (**Romans 2:4**). “BUT GOD COMMENDETH HIS OWN LOVE TOWARD US, IN THAT, WHILE WE WERE YET SINNERS, CHRIST DIED FOR US” (**Romans 5:8; John 3:16**). To study in the Bible the loving, sinless life of Christ and to meditate on his agonizing and shameful death is a great motivating factor for man. In so doing one realizes that Christ freely left Heaven and the form of God to submit himself to be tempted as all men are tempted, yet He never sinned (**Philippians 2:5-8; Hebrews 4:15**). Surely, few people meditate on what God has, done for them that they never could do for themselves!

WE NEED UNDILUTED WARNINGS

If the consequences of a devil's Hell for the sinner and the love of God to redeem sinful man will not move one to turn to God in penitence and obedience to the Gospel, nothing else is available to turn the sinner from his eternal appointment with the fires of Hell!

People who take the Lord's name in vain, commit adultery (and other immoral acts), lie, cheat, gossip, steal, teach false doctrine, and such like, are going to burn in Hell eternally. Members of the Lord's church who have ceased to worship according to the Bible, do not study the Bible, are covetous, murmur and complain, are immoral, repudiate Bible authority, are hypocrites, and who hate their brethren who love and obey the Truth will also suffer the torment of the raging fires of "...THE LAKE WHICH BURNETH WITH FIRE AND BRIMSTONE: WHICH IS THE SECOND DEATH" (**Revelation 21:8; 2 Peter 2 -22**). Assuredly, elders and preachers who see a lost world and sinful members and do not try to confront boldly such sinful people with God's Truth, will occupy one of the hotter and lower pits of Hell!

If precious souls are to escape the horrors of Hell, we must do our part as Christians to get men to see what sin is. Let us not forget to set forth the Christ who is "...THE WAY, THE TRUTH, AND LIFE" (**John 14:6**).
